“ Marie was a warm and welcoming neighbor. She was always happy to have my sisters and me visit her house as kids serving us treats and making a wonderful fuss over us. In my mother’s later years, when she no longer lived across the fields from Marie, she was always full of stories and happy after a phone “catch-up” with Marie. What a blessing to have a life-long friend! After my mom passed away, I enjoyed phone “catch-ups” with Marie. She shared fun stories about my parents, Gib and Lois, and how she and Elmer loved being neighbors all those years. Some of those stories were new to me, and I so appreciate her strong memory talking about 60-year-old events like they were yesterday. She remembered everyone’s birthday and thoughtfully asked about my family members recalling every fact I ever shared with her. Marie ended every call the same, “ God bless you.” One of God’s blessings to me and my family was Marie.

“ Some of my favorite memories of my Great Aunt Marie included talking about the Cardinals. Since living in Kansas City, I am a bigger Royals fan, but she would always remind me that I was a Cardinals fan too! We would always talk on the phone when the two teams were playing each other. Since moving to the Independence Care Center, we would always visit her when we were in town, and she would always have treats and gifts for her great, great niece Olivia. Olivia always enjoyed stopping by to see what fun things Aunt Marie had for her. I will greatly miss Aunt Marie, but will hold on to all of the wonderful memories!

“ Here are a couple of the many good, fond memories of my Aunt Marie. Every holiday, the family would get together for lots of food and fun. Of course, there was a table for the adults and a table for the kids. As my sister and I got older, we got to sit at the adult table. The best part was singing with Aunt Marie, Mom, and my other Aunts in the kitchen as we washed and dried the dishes. Work, fun and good family memory.

Aunt Marie and Uncle Elmer were married on the same month and day, September 4th, as Brian and I. She was always thoughtful and would remember and give us a call.

Aunt Marie, you are missed. Thanks for being so thoughtful, kind and a good Christian example to all of us.

*Much love,
Karen Mitchell*

“ Marie was a faithful neighbor who cared for others and provided a lot of companionship to my Mom and Dad over the years. I remember making home made ice cream and Elmer and Marie paying 10 point pitch with my Mom and Dad. She was upbeat and enthusiastic and I will always remember her smile and laugh. Her birthday was June 11th and mine June 12th, a fact she reminded me of often.

“ *My deepest sympathy and heartfelt prayers to your family. Marie was a head of her times, a very strong, willed woman. Her death saddens me, brings a reminder of the greater times in our past, the loss of dear friends, neighbors and community. Brazeau was a wonderful place to grow up in. Thanks for the memories I shall always cherish in my heart.*

“ It's odd the random things you remember as a child, Marie always served blueberry muffins when she hosted an Extension Club meeting or 4-H meeting. My mom never made them, so it was always such a treat for me! I shared this memory with her a couple years ago and she said that made her feel really good. She was always very good to me and my family! She will be missed.
