“ *Aunt Niecee came into my life 38 years ago when I married her niece, Gaylla. Over the years I enjoyed her visits. On one occasion, she was visiting with her brother Buehl, who was living with us, when she noticed me carrying our old Golden Retriever down stairs. She followed me out to the back porch. I told her the dog had an inoperable tumor, but I loved him so much I couldn't have him put to sleep. She looked at me and said "Larry it's time, you need to let him go, you are keeping him here because you will miss him." This wise advice has carried me through a lot of funerals, including my Dad's. I will miss her smile with the twinkle in her eye. Larry Neathery*

“ *Grandma, We love you so much! You have been such an inspiring, loving part of our lives and we were blessed to have you all of these years. You will never be forgotten and always remembered for the fun times swimming, telling stories and the many vacations and holidays spent with you! You are truly an inspiration of love, hard work and perseverance.*

“ Aunt Berniece, Our beloved Aunt "Niecee", you will be so greatly missed. You have gone with Jesus to that great Bryant family reunion in heaven. Bye for now but not forever. We will be looking forward to seeing you soon. When you see our loved ones gently tell them that they live on in our hearts. Love you forever, Gaylla & Larry
