“ *Aunt Mary Lou always had open hands for when you visited in Perryville. Her love of family was more than words can describe. Giving, peaceful, and fun loving is only a few to describe my auntie. My father, Gene Triller, was her brother. When I was a little girl, we loved to be with our family there in Perryville. I am sorry our loss. She will always have a special place in my heart!*

“ Our deepest sympathy to the family of Mary Lou. I knew her all my life since we were childhood neighbors. Went to the same church, first at Apple Creek and in later years at Biehle. Seen and talked to her many times at the nursing home. She was a great lady and may she rest in peace!

“ I met Mary Lou many years ago through my best friend who just happens to be her sister-in-law. It was her beautiful knitting/crocheting that I remember most about her. I last visited with Mary Lou over the Christmas holidays. We hugged that day not knowing it would be our last. I'm thankful for having known her.

“ Mary Lou married my brother, Earl. I wasn't real happy to lose him to her but she made up for it. She was the kindest, most loving person and you were a better person for having known her. Thank you for being in my life and taking care of my brother. I will miss yo
