“ Sweet baby Mason. Our gift from God. Taken too soon but you left such a huge impact on so so many people's lives. We are all blessed to have had you in our lives. No matter the length of time. You will never be forgotten sweet baby boy. You will always be in our thoughts and in our hearts? We know you are up in heaven with your older cousin Noah watching over us. Aunt Shelby loves you so so much baby boy. Fly high
