“ *In My Pocket I have memories in my pocket. They rattle among the change. My memories of you are treasures I carry wherever I go. They are stored in bits and pieces, parts of a beautiful whole. They give me comfort when I think I am alone. Yes, I have memories in my pocket, like so much other stuff I keep there. But of all the treasures I have, it's the memories of you that are the most precious. By Lamaretta Simmons*
