“ *My sympathy to all of your family. It was years ago that I transported Mrs. Petzoldt to a local hospital. Enroute to the hospital I asked her her age and date of birth, we both laughed when I told her we shared the same Month and day of our birthday. Later that year I was surprised to find that she sent me a birthday card in the mail. The following year I had sent one to her as well. She seemed to be a very pleasant person and I am sure she will be missed. Your family is in my thoughts and prayers. David J. Streiler EMT-P*
