“ *I worked with Michael in Ste Gen years ago at the mex rstnt and saw him from time to time at El Torero in Perryville. He was somewhat of a friend and he was such a great dude, always seemed like he was doing well. It deeply saddened me to hear about his passing. It just doesn't make sense and I will definitely miss seeing him around. I do not know what happened but i can only guess and hope that others can learn from this. My condolences go to all that knew him.*

“ I knew Michael thru his grandma Loretta and his mama. I worked with them and became very good friends with Loretta. Michael was so cute. He was a straight A student and his grandma would brag on him all the time. I hate that they're feeling this pain. My thoughts and prayers for the whole family. RIP Michael.

“ I would like to leave a prayer for Dana and the rest of Michael's family. Father, I pray for comfort and understanding to fill the hearts of Michael's loved ones. I ask humbly that You swaddle them in love, and strengthen their days ahead. Carry them through this valley, and deliver them to peace. Your ways are perfect, and above our perception. Your love is more than we know, and Your will is of purpose. Make us to be joyous of your love, and keep us in Your care until we are called home to You. Thank You for Jesus, and for blessings to Michael's family. May he praise You endlessly in Your Kingdom! In the Holy name of Jesus we pray, Amen.

“ *Michael was one of my first good friends growing up. He was easily one of the funniest people I ever had the pleasure of meeting. He was a blessing in my childhood. Always had a smile on his face. So sad to hear this news. To his family, I cannot imagine your pain. Your son/brother will always have a special place in my heart.*

“ I'm very sorry for your loss. I love Michael as if he were my own. This is devastating so hard to believe. He was too young to leave this Earth. I will not forget this past week spending time with him, Tiffany, Abigail, Hannah and Jack Paul. I will cherish that time forever. Never say goodbye, till we meet again.
