“ My older brother Mike was always loyal to his family, friends, and army buddies that he served with. He was always ready to come to the assistance of a family member who needed help. He recently traveled to Texas to visit a Vietnam friend before he passed away. Mike always attended the reunions of his Vietnam air assault company. He served three tours of duty in Vietnam as a crew chief on air assault helos. He was recently received the Wall of Valor honor at the VA Clinic in Cape Girardeau, Mo for heroism in aerial flight in the Republic of Vietnam on 9 Nov 1965. He was awarded the Distinguished Flying Cross by the army for that action. Mike had an interesting life being stationed at various army bases during his 30 years of army service. Mike especially enjoyed the years he spent being stationed in Germany. One of Mike's greatest joys was traveling on his Harley and meeting new people. Mike had a good sense of humor and livened up any gathering he attended. Mike had a lot of friends which is a testament of how he treated people. Family reunions will never be the same without Mike being there. He will be greatly missed by all who had the pleasure of knowing Mike. Younger swabbie brother Edward

“ I first met Mike, his wife Terry and their two kids (Mike and Tina) while attending US Army Flight School in 1983 at Ft. Rucker, AL. Mike was the First Sergeant of my Flight school Class. From the very first encounter we hit it off. Mike was the genuine article and someone you couldn't help but take an instant liking to. He checked all the boxes! He was a true professional, a soldier's soldier, a decorated American hero, a man's man, an American patriot and a dedicated family man.

After flight school Monika (my wife) and I were very fortunate that we were assigned to the same Army base as Mike and Terry (Dolan Barracks, Schwaebisch Hall Germany). It was in Germany that our family's lifelong friendship truly grew and blossomed. For the past 40+ years Mike and Terry have been very close family friends. Over the years we have been blessed to be stationed at many of the same locations at the same time. They were God Parents to all of our children (adults now) and proof positive you don't have to share the same blood to be close family.

I consider myself so extremely fortunate to have known and served with Mike both as soldiers and later (after Army life) as DOD civilians in support of our nation's soldiers.

He will be (already is) greatly missed.

*Dear Terry & family*

*I was so sad to see this post - please know we are thinking of you and send our heartfelt condolences and prayers for you. I am so sorry that I can't attend the funeral for Mike but will be thinking of you and your loss. Mike was a friend and classmate of mine since 1950 - we went all thru grade and high school together - and I have lots of good memories - he never forgot a person and was always around our class during reunions and now I'm really sorry we didn't do our last class reunion. He will be missed by many. I will forward this to our classmates. He will be missed by many. REST in Peace Mike - God willing we will catch up with you before long! Glenda (Hudson) Quinn*
