“ *Lou was an inspiration to many - kind, compassionate, gentle, patient, dedicated to family, a loving wife and mother. She always wore a smile and had kind things to say to everyone she encountered. She will be missed in the halls of ICC.*

“ *Lou was all love and sunshine! She and Jim played bridge with my parents for over 60 years, and she always had a sweet smile and a kind word. I have wonderful memories of Lou at church potluck suppers, singing in the choir, and making apple butter. We taught Vacation Bible School together in the late 90s, and we had so much fun together! I'm so glad that she's now with Jesus, Jim, my parents, and others who went before her.*

“ Our sincere sympathy to the family. I have many memories of Lou as they lived across the street from me. Even after I let home I would still see them occasionally out side and we always exchanged hellos. Lou was one of the kindest people I knew! May the Lord comfort you in your time of sorrow, but rejoice with you as she enters her Father's home!

“ Prayers for the family as you begin this new life chapter. Brad and I have memories of Lou. Brad's memories are of Lou as being a high school classmate's mother (Jim). Lou was one of the elementary secretaries when I started my teaching career. In later years, we enjoyed brief visits when we saw your parents. What a blessing to be Christians! We know that there was a joyous, heavenly reunion with your father and other loved ones. God's peace,
