“ *I had the pleasure of getting to know Morris during his time at KISD. I will always remember his smile and the way that he would always have a comeback for whatever wisecrack that I would make to him about his beloved Redskins. Morris will be missed but will never be forgotten.*

“ *Each person is given the gift of time on this earth...to live...to learn...to love...and to leave a legacy. Morris certainly made a true difference to others. May his precious memories live forever in our hearts.*

“ For those people that knew Morris, they knew a man of integrity, humor, a great personality and a great work ethic. He was like a Father to many that worked under him because he offered advice and support beyond the scope of his job. I was fortunate enough to become a close friend to Morris while he worked at KISD and we held that close friendship right up to the time of his passing. The bond that I held with Morris was like that of a Brother. He will be missed by many. My heart goes out to the family and friends of Morris. I will forever hold many great memories of my time with Morris, and I hope that ,in this time of sorrow, the family can cherish their memories too.
