“ *Nancy and I were best friends throughout our high school years and after we graduated from Mercy High School. I recall many sleepovers at her home on Driver Ave in Overland Mo. We belonged to All Souls Young Adults Club where we had wonderful times with many friends we met there. Nancy's parent's gave my wedding rehearsal party at their house. I tried to get in touch with Nancy a few years ago on facebook but was unsuccessful. I missed her so much. Today I just learned that she is in heaven now . Happy Birthday, Nancy. I love you. My condolences to Nancy's family. Your loved one was a very special person to me.*

Thank you so very much for your kinda words. I know my mother loved you too. I remember her telling me of the memories she had of you. From the bottom of my heart thank you!

“ Kris, Darlene, and Family,
May your Christian faith comfort you.
Kris, it has been many years when I asked you to look over your
spelling words. Do you remember in 5th or 6th grade how you
looked over your spelling words? Your intelligence showed that day!
Your mother and I had many positive talks.
The last time I talked with your mother was when she shared a
hospital room with my mother-in-law. (I always enjoyed my visits
with your mother.) Darlene, you were there too. When your mother
left the room, you and someone else played cards.
Your mother has left a legacy of family love.
God's peace,
Rita Weber
