“ *Roger and family, please accept my prayers and sincere sympathy. I am so sorry for the struggles Nancy and Roger and you kids had to endure prior to her passing. You did a wonderful job taking care of Mom and I know she loved you all very much. You all did all you could to keep her happy and comfortable. She is watching over you now and protecting you. She still loves you, even more now. I will always remember her beautiful smile and sense of humor. God Bless your family.*
