“ My Heartfelt Condolences to the Thieret/Lee Family & Friends of Nancy Jo (Thieret) Lee. Nancy was a wonderful dear & close friend of mine for over five years. she was a wonderful woman with a heart of gold and an most beloved and respected cherished friend. I'll always miss her smiles, laughters, wonderful conversations and kindness with her generous offer of friendship in my life, i have rarely met anyone as sweet, kind ,loving and compassionated than Nancy. she loved life, God, her beloved family & friends. she touched the lives of many people , including mine and made it better because of her love and friendship towards me and towards others. She made a positive difference in the lives of so many of her former elderly & disabled patients when she worked as a certified nurse's assistant doing home health care visits. she was an an earthy angel among us in life. she gave unconditional love to all. she was my friend, my hero, and to me, she was like a sister, i miss her so very much! my heart is most sad and broken but i know she will always live on in my heart and cherished memories will fill my thoughts forever with all that positives that she gave me!!!!
