“ Nancy was a frequent visitor to the Perryville library, which is how I met her. She became a dear, dear friend and I was very saddened by her passing. She was such a positive person, with a great sense of humor, a voracious appetite for reading, and a kindness that was unmatched by anyone I've met. I always looked forward to seeing her and chatting with her; she was truly a light in a very dark world and I will miss her very much.We all will miss her very much.

“ David and family,  
Prayers for you and your family as you begin this life chapter. Your mother and I had a wonderful rapport during our parent/teacher conferences. I enjoyed our talks in later years when we saw each other during shopping.

God's peace,
