“ *Stacie, Shelly, and Family,*

My prayers that you are comforted by your faith. Our paths did not cross until I met your mother at Mooniers numerous times. Your mother took the time to help me find the name of a flower in my childhood yard. I had seen these flowers in my mom's yard the morning she passed as a miracle image. This was years after these flowers were no longer in the yard. Your mother was an amazing, caring, and compassionate person. I know that you cherish your memories of your mother. You can smile knowing that your mother and father are reunited. God's peace to you. Rita Weber

“ So many good memories- hanging out with Norma, Zona, Judy & others going to dances, playing Tripoly, making road trip to Fla when Norma & I shared a room at JoAnn Hotop's (pre Reiss) uncles's motel in Ft Lauderdale. We had so many laughs. Norma was excited to marry Allen & I admired them on dance floor. He was a very good dance leader. I can still see Norma sitting at her dressing table in her bedroom touching up her hair prior to going out. And all the years we worked together at the MM Office. Tons of memories there. Unfortunately I cannot make it to the service on Wednesday, but I will be there in thought & prayer. She was a wonderful mother raising their children alone after Allen died. She is an inspiration to all. God bless the entire family.

“ My love, thoughts and prayers are with all the family... your mom truly lived what she Celebrated every Sunday. She wonderfully made this world a better place by living her faith!
Without a doubt, I am convinced that she is now seeing the face of God... and with Allen
once again!
My life was blessed by knowing her!
Blessings of peace...
