“ *Mom, I think about you everyday. Many times I got the phone to call you to talk about your day. You are sadly missed being here. I thought it would be easier by now, but it isn't. I have you on my mind when I wake in the mornings. I think of you during the day. I think of you when I lay down at night. Most nights I talk to you about my day. I'm happy you are now at peace and spending the time with our family that was waiting for you. We will meet up again. Love you 🥹*

“ *We had some good times with Norma and her girls. Cousins on the Hagan side of the family. Remember our family reunions and getting together at Brownies and a night of frog giving. Let's try to keep in touch.*
