“ *So thankful to have had Mrs. Mueller for grades five and six - this photo is exactly how I remember her. Kind, smiling, and an inspiration to me. I can still remember her classroom and listening to her read aloud to us, and playing for outdoor mission festival under her direction. Many good memories.*

“ Dear Mueller family: While planning our estate with Kirk, we heard about the care that your family was providing for your mother Norma. May God bless each of your families with such care as you provided for your mother.
