“ *Deepest sympathy to the family. I worked with Norma many years, what a beautiful soul she was. She loved her family above all else. I feel blessed to have known her.*

“ *My deepest sympathy to Norma's family. Norma and I have worked together since 1998. She was a huge asset to my team and became part of my work family. Such a sweet, kind, soft spoken woman but boy when she was mad, you knew it. She sacrificed a lot of family time to help TG Missouri become what it is today and to make our team successful back then and I am sure I never thanked her enough. I am truly saddened by her passing. She was not only a coworker but a friend. Through the years we have always remained friends and she will be dearly missed.
