“ *I remember Ruth having her hair shop out here in the old Loberg store. While I gone one can day my mother-in-law took upon herself to cut my daughter Amy,s hair. She was 3 then. Talk about a uneven hack job. I called Ruth right away and begged her to do something about it. She just laughed at her hair and said it's not the first time she saw this. Or worse! Our thoughts and prayers be with you all*
