“ Mary and family I'm so sorry for your lose. The friends we make in our youth are truly life long. Years can pass between visits and when we come together it's like we were never separated. Butch was a good friend. I know that because of the atonement that Jesus Christ made for us we will again renew our relationships in eternity. God bless you.

“ I worked with Butch for over 10 years at the Post Office and he was a loyal friend, co-worker and blessing to all who knew him. I feel blessed to have known this individual who made me realize the value of friends and family. He was an asset to his family, church and community. If every mailman was as efficient as he was, the Postal Service and our world would be a better place. He is with God and we will see him again.

“ I worked with Butch at the post office, even though he worked on the opposite side of the room we often met in the middle and would share a laugh or he would listen to me complain about something, I often told him to get the heck out of there and enjoy himself, he was such a nice man, Prayers and hugs for the family !! He will be truly missed!!

“ Many great memories. Every two years it was family reunion and the highlight of these was the ride on a flat bed trailer with bales back to the old home places. It was great to see where the family place was- back in the hills -, early we were able to get into the house but over the years it became very unsafe to go in. Butch was always ready to take who ever wanted to go. Have lots of photos and a framed photos of Charles car parked by the shed with the tree growing in it. Along with the get together and meal and the famous fish fry.

Great memories.
