“ Pat was one of my first customers at our restaurant Salerno's Pizzeria she was there almost every day. If we didn't hear from her in a couple of days we would have someone check on her. Her favorite drink was a Blue Hawaiian and she loved the fish and Garden salad also the garlic bread. Her last meal at Salerno's was our new fried Balogna sandwich she also loved playing games . There are too many memories of Pat to mention but she sure will be missed. Love you Pat and hope you found your paradise ❤️
