“ *Ashley, Robin, & Eric,
I am grateful everyday that you were able to share such an amazing person. She was a lasting friend to our mother and a caring adopted grandmother. Grandma Patsy could cook! I will never forget those Christmas meals. She was a tough woman who didn't tolerate poor behavior or fools kindly. Her strong raspy voice that could scold when needed, or when I deserved it, and comfort when the time was right will forever be with me. The positive impact she made on my family will be lasting. Please know that her legacy and love spreads in ways we cannot imagine.

“ I have known Patsy since high school. When I came to PCMH, Patsy and I reconnected and got to know Gerald. Lynn and I became close friends with Patsy & Gerald and spent a lot of time together sharing stories, eating out, and always had a great time. Our one regret was that we didn't spent more time together. We will miss you Patsy. Gerald & family, our deepest condolences. Ollie & Lynn Boxdorfer
