“ I'm in disbelief. He was a very great person. I remember the last time we were at the eagles club in marble hill he had us all cracking up so much. He was one of those people that if he was telling you any kind of information to try and help what ever situation you were in to solve it. You can trust and believe it every word of it. I'm so sorry for this major loss. R. I. P till we all meet again.. love and prayers for everyone effected
