“ *We just adore and love Phil. I've known him for almost 18 years and we've taken many trips on the motorcycles. We've experienced and have seen many gorgeous landscapes, We've spent time in Vegas, riding in 115 degrees of heat and stopping at diners to drink up! We've rode alongside bison and stayed in Yellowstone without TV, and, boy, did I hear about that one! My Mom and I were privileged to stay with him and his best friend, and love of his life, Trina, on that last night. I won't forget our interesting conversation, attention to detail, and Phil blowing kisses! We love and miss him but know that he lives in our hearts and minds forever.*

“ Phil and I were good friends and along with others the charter members of Treasure Coast HOG. Shared many wonderful memories over the years. Had the good fortune to see him in Missouri a few times after our paths went in separate directions. He has and will be sorely missed. Condolences to the family.
