“ Phil was the 1st B & M employee I worked side by side with. Sharing an office with him in Denver, any 2nd thoughts I might have had about a career change at this stage of my life were quickly gone, largely due his genuine, warm personality. The smile in the picture really does say it all.

“ To Polito's Family I'm so sorry for your loss. Phillip was such an amazing guy and friend. I had the pleasure of working with Philip on a job in Colorado. He and I worked closely as he was the architectural superintendent on the job. He used to tell me that he wanted to go back to his pipes and not worry about the drywall and finishes...but deep down I knew he cared. He was a hard worker and always gave 110% to get the job done. His smile and laugh were contagious. He will be missed deeply.

“ I worked with Phil out in Littleton, Colorado. He was a great friend. I enjoyed just sitting and talking with him over a beer or two after a long work day. His laugh, and happy go lucky demeanor were infectious. Phil was a bright light extinguished far too soon. I will see you on the other side my friend.

“ To the Polito Family, I am very sorry to hear the news of Phillip's passing. Your family is in our prayers. It's still hard to comprehend. I worked with Phil on a project in Colorado. He was a great person, so hard working, loyal, and just fun to be around. He and I had many talks about his career and where he wanted to go with his life. He made friends so easily with his bright personality. I will always remember and admire how much he gave of himself, whether it was work or his personal life, he just gave it everything he had. He will be missed. Rest in peace my friend.
