“ 2/8/2025🙏🏻, I say goodbye to an incredible woman who shaped me into who I am today with her love, kindness, and wisdom.. the woman I got to call my great grandma.

Nona gave me a purpose and reminded me that I would always be loved. She was my biggest fan and front row at every ball game that she could go to since I was little and now she has the best seat for every game.

Nona, your presence filled every room with warmth and your laughter was a comfort that I will miss forever. Your hugs were the best thing. I will cherish every moment we shared, every story you told, every song we sang, dance we danced and every lesson you passed down. Thank you for being such a strong, beautiful, and loving part of my life. Your legacy will live on in my heart, and I'll hold you so close in everything I do. Every time I step on the field it's in your honor. Give Pop a hug for me and have the best time in heaven. Until we meet again.. Rest in peace, Nona. You will ALWAYS be loved and remembered. ❤️🙏🏻
