“ Phyllis and Ben came to Hope Lutheran church from Peace and immediately began serving in a variety of roles. Phyllis had a special place in her heart for the children of the congregation and served as the Sunday School Superintendent for many years beside me as well as the Board of Education. She always went above and beyond to send cards to let the children know they were missed if they weren't at Sunday School, invite visitors back to Sunday School or Vacation Bible School and got so much joy from assisting with the Christmas programs over the years which might not have happened without her! We shared a love for mission of the children and Phyllis inspired me in many ways. I'm grateful for the special memories of Phyllis and Ben, their friendship, and the legacy they've left in our hearts and at the church. Our prayers are with the family.

“ *Phyllis will be greatly missed by her church family! She and Ben were very active, dedicated, and effective members. They both had a heart for the Lord's work and showed it with their involvement in the many boards and groups at Hope Lutheran Church St Ann. They were bright lights for the Lord and set a GREAT example for all of us.*

“ *Please give my sympathy to the Oswald/Oster family. I remember visiting the Oster's in the country when I was a child and Dad drove Albert and Emma McNew to visit Aunt Belle. We saw Phyllis several years ago in Perryville when we were visiting Mom and Dad (Don and Vi McNew) and she had her mom (Loretta) with her. Memories to share.*
