“ Ralph, just 10 days ago, we held your hand and parted ways for the last time. I'm remembering how we would always chat about sports and politics, even though these are not topics I have much interest in. I would love to just sit and listen to your stories about the farm and your past jobs as a butcher. I will miss the way that you always made me feel like part of your family, a grandson, which meant a lot since I lost my grandpa many years ago. Say hello to him for me as I bet you two would get along great. You will be missed greatly.

Sending constant prayers to all who knew this great man and will miss him along with me.

“ Mom, Ted, Tim & Michelle - my heart goes out to you at the sad news of Dad's passing. We all spent so much time together growing up, you all were my second family & I still have so much love in my heart for your family & this great man who I'll always think of as my second "Dad." I know he's already taken his much deserved seat at the table with our heavenly father & all his many family & friends in heaven, but he'll be greatly missed. Sending prayers of love & peace & strength for the days to come - Missy (Steele-Lufcy)
