“ Rick or Uncle Rick as he was known to me was a very good man. He married my Aunt Jeannie and took me fishing on Towhead Island and we fished the Mississippi River multiple times. I was very fortunate to have his influence on my life at such an impressionable young age. I'm very sorry for your family's loss.

“ When Rick was born I (carla) begged her to let me name him Kergon .I loved the name. it was the name of a old fisherman named Kergon Wilson. Mom finally gave in and used it for his middle name.
