“ Elaine, I am so sad to hear this. Bob was such a great guy (one of the good ones) and always greeted me with a smile and warmth. I remember him being fun to talk to during history classes back in high school. Elaine, you helped my sister, Betty, during her time with cancer and I'll never be able to tell you just how much that meant to me. I know you understand the pain of grief, but until it's the person you love dearly, grief never becomes extremely real. I'm very sorry you are experiencing this. He was truly an amazing person and God has opened the gates wide for his entry.
