“ *I met Bob a few years back when my husband & I moved to Perryville. We live on a county road that he passed often on his way to town. He would stop and talk in the summers when I was out at the garden and knew I loved bluebirds. One day he stopped and said he brought me a present, a bluebird house that he made. He was always very cheerful and friendly and always had a smile on his face. I will miss him driving by and giving me that big smile and wave.*
