“ *I am so sorry for your loss! Lois, you and Bob made the perfect couple! I mean that. Always smiling, and not many people could be married to someone and then go to work with them everyday! He's been sick for a long time, but his attitude, determination, love of life, and love of his wife, has kept him going. You should be proud of the great job you did. Without you, this would have happened years ago.*

“ I just found out. I am so sorry for your loss. The last time I saw him he was a patient on my unit where I work as a Case Manager. When I found out he had as there I went to see him. Gave him a big hug....while he was sitting on the commode. He told the nurses and they said that's our Rita. We laughed about it each time I saw him. He had a great sense of humor. He will be missed.
