“ *OMG. I am just now hearing about the passing of my co worker. To the family, you have my deepest condolences. I worked on the Lex with Roger for years. He was a very hard worker. He stayed to himself a lot until I would go over and bother him and make him talk. We had soooo many talks about his daughter, Samantha and the younger son Matthew. He talked the older sons too. He loved his children. He also talk about Kodak. He would try to teach me about building a chicken coop and different traps to catch a fox from killing chickens. He told me how good he was in shooting. I'm so sorry that I didn't keep in touch with him.*
