“ *I've been gone from Perry County for many, many years, and even before that I had not had an active role in the ARC summer recreation program. However, I used to lead that program, and Rose Marie was active in it, never missing one of our events. She was so very, very good with making things with her hands, and so firm in her respect for herself! I will never forget her. I probably still have photographs of that time in her life; if anyone is interested in seeing them, please contact me. And, say 'thank you', please, to her faithful care givers; they deserve a special reward.*
