“ My deepest sympathy to Roy's family. I am thinking of you and I hope all of the good memories sustain you during this time of grief. I will always remember the good times the guys and gals would get together in Jim Boesl's basement. The ladies were playing domino's and the guys were telling stories...many stories...many many stories. <SMILE> There was a lot of stuff flying around that room. May you find comfort in knowing that others are holding you in their hearts.
