“ *Aunt Ruby remained the most steadfast Cardinal fan we know, even when they were painful to watch. She had a gentle spirit, love of family, and dedication to her faith. A wry grin and easy laugh were memorable. She also lit up around nieces and nephews and subsequent generations of children even though her precious child was called to heaven way too soon. God has blessed our family through you! KAY and KEN*

“ I WAS SO BLESSED TO CALL HER MY AUNT FOR 64 YEARS. THAT IS A LOT OF MEMORIES. THE GREATEST BLESSING WAS BEING ABLE TO BRING HER BROTHER EVERETT,HER NEICE BONNY, NEPHEWS JIM & DAN AND GREAT NEPHEW DYLAN TO CELEBRATE HER 90TH BIRTHDAY. IT WAS AMAZING TO HEAR HER RECITE FROM MEMORY EACH St. Louis CARDINAL PLAYER FROM HER EARLY YEARS , THIER NAMES AND POSITIONS WITH NO HESITATION. OF COURSE UNCLE BUTCH GAVE HER THAT CHALLENGE BECAUSE SHE WANTED TO GO TO A GAME. WELL SHE DID IT AND NEVER FORGOT IT!

IN MY CHILDHOOD WE ONLY GOT TO SEE HER AND UNCLE BUTCH ONCE A YEAR ON VACATION. I WILL ALWAYS PICTURE HER BAKING, COOKING, CANNING AND GARDENING. HER RED APPLIANCES AND LOVE OF MAKING HOME MADE ICE CREAM!!! SHE WILL FOREVER BE IN OUR HEART AND MEMORIES.

“ Aunt Ruby and Uncle Butch were always the "fun" relatives to visit. She would let us pick out school supplies at the store she worked and then surprise us by paying for them . I always looked forward to her cooking, especially fresh vegetables from her garden, and her spiced Iced tea. in recent years we would bring my dad down to visit and we loved when they would reminisce about being kids. It was always a highlight to attend the Crossroads Picnic and then take a drive through the country and have them relive their childhood memories. I wish we could have visited one more time so dad and Aunt Ruby could have seen each other, but at least they are together now.

“ Ruby was another one of our “bingo ladies “ that I really enjoyed talking to & visiting with on bingo days. She was always so pleasant & we talked about Butch & his dog delivering mail to us many years ago. She’s another one I missed when I couldn’t go back in to ICC after the shutdown.

*I knew she didn’t have any family & I pray she wasn’t alone when she passed. At least now she’s with Butch again.*
