“ *Ruby has now obtained her most glorious reward. Besides being a sister in Christ, she was also a sister to members of Immanuel's Lutheran Women's Missionary League. In her honor, a monetary gift was made to the MO Dist. LWML Church Worker Study Grants. She will be missed. but one day we will all be united. Members of LWML*

“ *Harold & the rest of Ruby's family:  
Ruby always had something to say about gardening to me. She got me started on winter lettuce with a packet of seeds. Last summer she shared a tomato plant with me that lasted longer than any of my others. May her memory last longer than any others.*

“ Ruby was a lifelong friend of my mother dating back to 1946 when she lived in an apartment across the hall from my parents when they were first married. She lived her faith in so many ways and always showed an interest in the lives and needs of others.

“ What a special lady Ruby was. She always had an encouraging word for others. I loved to hear her laugh. She was a very caring, Christian woman who is now rejoicing with the angels.

“ Ruby was a wonderful Christian woman who I remember doing a lot for nursing home residents. I got to know her well through LWML and remember the many delicious baked goods she would always donate. She was always interested in how my family was doing. What a glorious place she is in now! Susan Davis

“Ruby was one of my mother's best friends. I have known Ruby all my life. She was someone I looked up to and admired. If God would be proud of an earthly Christian it would be Ruby. She truly loved her Lord and Savior and was not ashamed of it. She was kind and giving. She visited the local nursing homes and passed out the church bulletins to residents so they would stay connected. If they couldn't see bulletin she would read it to them. She loved the Lutheran Hour radio station and was pretty good at answering their question/answer period. I felt that Ruby was a great friend to me. I just talked to her two days before and she was creating a casserole for her family. She always would give you something to eat when you visited her. I will always remember with love my mother's best friend and mine.

“Ruby was such a sweet lady. I enjoyed talking to her at church and seems we were at Roziers the same time and always had a nice visit there. I will miss her.
