“ *Russell took me hunting, took me to work with him on construction sites, taught me work ethics by example, and hosted a lot of unforgettable get-togethers at his and Carol's place. I always enjoyed his company. I'll miss his quick smile.*

“ *My deepest sympathy to the family of Russell. Growing up in Biehle we were neighbors and Russell was like a brother to me, with that being said every time we would go swimming in the creek Russell would come behind me and dunk me under water and to this day I am scared of water! So RIP Russell until we meet again! 💔💔*
