“ I've always remembered Rusty as being my best friend's super nice dad who had a contagious smile. I feel so fortunate that I was able to attend Amber's wedding last fall and reconnect with all of her family. It gave me the the opportunity to see Rusty through the eyes of an adult, rather than what I remembered just through the eyes of a child. He was the life of the party, full of great stories and an awesome dancer. He made my sister and I feel right at home from the second we arrived.....same as it was all those years back in LaMarque, where we grew up with Amber and Kim. He was a great father and I know he will be deeply missed by everyone that knew him. Amber, Kim, and Susan, I can't even imagine the heartache you are feeling right now and I am so sorry for your loss. He will live on in the hearts and memories of all those who knew and loved him!
