“ *Cathy, Steve, and Marla you and your families are in our thoughts and prayers during this difficult time. It is never easy when your parent passes on. I rode the same bus to school with your mom during high school and also spent time playing as neighbors while growing up. Your mom was a very kind and special person. We also picked up the milk at your mom's family home. Clarence and Thelma Nations*

“ Steve, Marla, and Cathy. Today we rejoice that your mom has entered eternal rest. Losing your mom is not an easy thing but knowing she now is now at peace makes it easier. I'm sorry that Bob and I can't be there but know that we are with you in spirit. So many awesome memories of our camping and winery trips. We had fun. May God comfort all of you and your families.
