“ *I knew Ruth for over five years from working at ICC as a dietary aide. She was no longer on the assisted living side but we still kept up with each other. I was even going to go visit her this past weekend, until I heard she passed away. When I first started working at ICC, she seemed pretty shy. But during COVID, I got to interact more closely with her and know her much better. She was always interested in what I had going on in life and how I was doing in school. She told me "I wish the best for you in life" and "I love you," which is something I don't hear from every resident and made me so happy to hear it every time. Ruth's sweetness and beautiful smile will be very missed.*
