“ *Sally was a wonderful friend for many years when we were young and I had a chance to rekindle our friendship at Independence Square over the last few months. After many years she was still the same beautiful, kind, caring, smiling person I knew back then. Her lovely and loving children, being just like thier Mom, were taking excellent care of her. I am so very sorry for your loss and that of all who had the pleasure of knowing this extraordinary lady. Gene Tucker*

“ *Sally was a truly beautiful soul! Our family lived across the street from the Modde family when our children were young. She raised a very wonderful family. She always had a smile when you would meet her and never failed to stop and visit. May she fly with the angels and may God keep her in his loving care! She will truly be missed by all who loved her!*

“ My dear Aunt Sally was my second mom whenever I would have a long stay with Sue, Julie, and Chris during the summer. She was always so much fun, but also made sure we were home at curfew. I also will always remember having breakfast with her at the Park-et on our cousin's weekends and she'd always leave us with, "You girls have fun, but be careful!" Then she would deliver the Legend's fried chicken on Saturday.

*Love her very much and will really miss her!
Our condolences to all the family and friends.

“ Julie, I had the pleasure of knowing, and working with, both you and your mother during my fourteen years at Riverside Library. You were both such a pleasure to be around. I looked forward to my 'runs' to the Perryville library, as well as your visits to Jackson. My sincere condolence for your loss. It is so difficult to lose a mother, who did and gave so much to you.

“ Julie and family. So sorry for your loss. Sally may have been small in stature but big in kindness and work ethics. She and I kept the Riverside Regional Library running smoothly!? She covered the North and I the South. We had great times together and made many good memories. She and my mother share the same day of death but my mom was 18 years ago.

“ I knew Sally for about four years when I worked at Independence Care Center. She was incredibly kind and helpful to everyone. Our job as dietary aides had its downsides, but residents like her certainly made it worthwhile. I remember one day, she was having a bit more trouble with her memory than normal because of her medicine. She seemed lost and worried from not being able to remember anyone, but when she saw me she said "I recognize her" and immediately smiled. It reminded me why I loved my job so much. Sally always made everyone happy, and her sweetness and brightness will be very missed.

“ Chris, John and Doris and all of Sally's family, I am so sorry to learn of your lost. May she rest in peace in the arms of Our Lord. I first met Sally and her mother the first year I waited tables at the Seminary Picnic. What a "blast" that was. Knowing that the two of them would be there made me kind of look forward to waiting tables each year. These are memories that I will have forever of the two of them. She always knew you when she met you out any where. We have lost a wonderful member of our community.
