“ *Dear Mama,*

What can I say. You were the best mama any kid in this world could ask for. My world is crumbling with each passing minute mom. I sure wish I could have seen you and Joe reunite the thought of that puts a smile on my face and a tear to my eye. It is a shame that Joe andy and myself cant have you all at the same time but we will all be together again someday in the lord's kingdom. I will forever be grateful to god for giving me the honor and privilege of being your son and for my kids to have a nina like you, the Best Nina Ever!!! I will forever love you more than life itself. I LOVE YOU MOM!!!

“ Boob

I can't express enough how heavy my heart is today, I can't thank you enough for your love and support, you were not only the best mother in law a girl could be gifted with but also the most amazing friend! I will miss are hours on the phone, trying to solve life's problems. And the I love you's at the end before hanging up! You were a hard worker, the best mom, loved everyone, a great cook, never meet a stranger! Just a good one! To heaven! You got a good one!

My wish for you is that! You are whole, reunited with those whom have gone before you! That your heart is full to the top with love, I hope you are dancing on the clouds, throwing out those sassy little sayings, and I sure all of heaven received a hug! I'll miss them! I will forever think of you when I see the color purple! I will forever think of you when I see a butterfly! I thank god for making you apart of my life!

*Until we meet again, save me a spot! And enjoy those wings, know doubt in my mind you earned yours! Peace and I love you boob!
