“ Hey, Sunshine, it's me...remember your crazy Angel lol. 😊

I just wanted to say, I sure do miss you!!! As I sit here and think about it, I realize how selfish I am for wanting to keep you here in this ole world that you left me alone in, lol!!! It's okay now though, because I was angry with God for taking you, but I'm NOT angry anymore because God was looking out for you, and this stupid disease!!! HE seen you needed HIM more than I did, so HE took you home and gave you a NEW set of LUNGS...Praise God!!! NOW...just knowing you're NOT in pain or suffering anymore, it makes my heart feel SO happy for you, and one day soon...I will get mine too, and you and I will enjoy running them golden streets TOGETHER!!! AMEN!!!

Well, I ordered you and the family some flowers today, but I couldn't find exactly what I knew you liked the best, which is Carnations and Dasiies, but I got some Carnations, Roses, etc...and guess what...I got them in RED!!! Yayy...

SO...I will go now, but we'll talk some more soon...just know you are really missed by many, and one day soon we will ALL be together with God and all of our love ones, but until then...I will cherish all the memories...good or bad, that we have, and I will always love and miss you more than words could ever describe!!!

Sign: Your Angel/Peaches/Dr. KTMOSS...lol. 😊
