“ I can remember Shirley since I was little. She lived close to my grandmother and see her walk DAILY! Also, her smile helped me remember to enjoy the small moments in life.

“ Dear Rose Ann, Michael, and LeRoy,
Please accept our deepest sympathy on the passing of your mom. Know it is always hard losing our parents. We were hoping to come to the memorial service, but can't because Daniel is undergoing chemo therapy and can't be in crowds. I have to be very careful also and stay close so that I don't bring any germs home. We would have loved to see all of you again. Know that we are thinking of all of you.
