“ Ralph, Rhonda, and Jr., we all know there are no words, gestures, or gifts that will help ease the pain of losing someone you love. I do want to say how much I thought of Shirley, she always seemed to have it together, so organized! A beautiful woman with a sweet personality, she loved her family and was always so kind. I have told you this many times in the past and I am glad I did, it makes me feel better knowing that all of you knew how I felt about her and this isn't a last-minute tribute.
