“ My husband was diagnosed of Parkinsons disease 2 years ago, when he was 59. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Siferol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with reality. Suspecting it was the medication I took him off the Siferol (with the doctor's knowledge) him on PD natural herbal formula we ordered from TREE OF LIFE HEALTH CLINIC, his symptoms totally declined over a 3 weeks use of the TREE OF LIFE HEALTH Parkinson's disease natural herbal formula. He is now almost 61 and doing very well, the disease is totally reversed! (w w w. treeoflifeherbalclinic .com)

“ I am so sorry for your loss. You have my deepest sympathy.

*I'm Peter Boxdorfer, coming from the same Boxdorfer-Nest in Weidnitz, Upperfrancia, Bavaria like Steven Louis' ancestor, Johann Georg Boxdorfer, who emigrated from there to Missouri in 1852.*

*I'm not sure, whether I met and knew Steven Louis with the wonderful Boxdorfer reunion in Perryville in 2003. I remember that Euline Tayon (Boxdorfer) introduced to my wife and me many Boxdorfers - descendants of Johann Georg Boxdorfer. I suppose Steven B. was one of the introduced persons. The obituary gives me also many good and thankful remembrances to Euline, Steven's sister. She organized the Boxdorfer-meeting in Perryville. She was a good woman with a warm heart. I always appreciated her rich knowledges of her familyline and the rich e-mail - communication between us.*

*Warmest greetings*

*Peter Boxdorfer*

“ Stevie was my Uncle but he seemed more like my big brother. We had so many good times growing up. Then in high school he lived with us in St. Ann for a while. We had a blast those years. He dated many of my girlfriends. And I dated some of his friends. He gave me confidence in swimming and driving. When he left for the Marines I wrote him all the time. He always looked so good in his uniforms. I was proud to be his niece. I am glad though that he no longer will suffer. Be happy and in peace in heaven Stevie.

“ I have several memories of my dear uncle “Stevie”! He loved to be called that even as an adult. Just last year I called him that and he said “I miss being called that.” It is his smile as well that is unique! He struggled with his pain for quite sometime but always fought that battle as a warrior. Love you uncle Stevie, your niece Debra
