“ *Teresa was kind enough to help our family for health care recovery, and she did so in a calm, supportive manner. She was detail-oriented, and didn't mind being so when we needed that type of communication and assistance. She understood how scary and overwhelming that chronic health ailments can be. We appreciated her good spirit and friendly attitude. May she be in forever peace.*

“ *My mom was the kindest women I had ever met. She was insanely beautiful, and funny inside and out. She was always so caring and put anyone and everyone before herself. She is a true inspiration for who I want to be in Christ. It gives my heart relief knowing she's no longer suffering from the cancer and she's at peace with the lord above.*

“ I got the pleasure of meeting Teresa from work. She would work for me when I was going thru cancer and treatment she would text me encouraging words. I'll never forget her kindness towards me. She was so excited for her new grandbaby. God bless Terri. Amy B
