“ My thoughts & prayers are with you all. I have some wonderful memories of the Appleton Market & getting to stay with my Godparents, Uncle Bob & Aunt Ann during the summer. I always thought you, Roger, were so handsome but Kenny Buchheit on his big white horse going down the street won out. I could write a book but... Fast forward to the time your Mom was at ICC. She was one of my favorite Bingo players. I gave all the ladies something special on holidays & she's the only one whoever wrote me a thank. Sounds like my Mom!. I actually thought you worked down there, Sheila, since I always saw you down there with her. Love to all the family. Sharon (Schumer) Moonier.
