“ *I've only had the pleasure of knowing Tom for a few years and he always smiled, had positive conversation and very helpful. You know the statement "give you the shirt off of his back", he's that man. I'm a newer neighbor to Tom and family because of his helpful daughter telling us about this great property that was for sale. Serenity comes to mind. A few years ago I slid downhill in the ice covered with snow driveway just inches from trees, freezing cold out and called his daughter for suggestions. Within minutes Tom and son arrived with battery and giant wench and pulled me to a safe spot without any damage. All he needed was a handshake. Just one of a few stories I'm sure you'll hear about Tom's selfless acts. Amazing Grace has taken Tom home. God rest your soul brother. Peace Out !!!*
